

COMMERCIAL BROKER UPDATE

Digital lodgement via CitoPlus is now available nationally for Westpac.

We're excited to announce that Digital lodgement to Westpac via CitoPlus is now available nationally for all Brokers!

Digital lodgement to your Westpac Banker of choice is a faster and easier experience for brokers, helping brokers achieve the best outcome for your SME and commercial customers.

CitoPlus offers Brokers a streamlined, digital platform for efficiently building and submitting commercial loan applications with Westpac.

Some features available include:

- Digital application for Westpac business lending products
- Tailored solutions for your clients, structure the deal and assess serviceability
- Easy to create self-branded/style credit submissions
- Input a preferred Westpac banker to receive your application
- Receive progress updates on the applications and the final settlement details

To access these benefits, Brokers must be accredited with Westpac. For further information on the accreditation process, please contact your local Westpac Commercial Broker BDM. Westpac is committed to collaborating with Brokers to help your clients achieve their financial goals and meet their needs.

We're here to help.
