

**Love is in the air, and so are lower rates!**

RedZed is sharing the love with brokers and the self-employed this Valentine's Day – and for the foreseeable future – with **lower rates and reduced fees and loadings!**

To launch our 'With love' campaign, we've made some exciting changes that will empower you to offer competitive, tailored solutions to your self-employed clients. They apply only to new business received from 14<sup>th</sup> February 2025.

**What you need to know**

**SE Prime rates reduced**

We've slashed our SE Prime full doc and alt doc rates at most LVR bands.

### Residential specialist rates reduced

We've slashed full doc and alt doc rates on our specialist Reward product at select LVR bands.

### Reduced residential SMSF rates

We've slashed our Super Resi rates (full doc and alt doc) and waived the interest-only loading.

### Reduced commercial SMSF rates

We've slashed our Super Commercial rates (full doc and alt doc) and waived interest-only loading. Plus, our application fee is staying at our current promotion level of 0.5%!

### Reduced application fee and loadings on commercial

We've reduced the application fee for our entire standard commercial range (Prime and Reset) across all LVR bands. We've also reduced the interest-only loading.

**Plus, paying for residential security appraisals (valuations) just got a whole lot easier.**

No longer pay upfront for a single standard valuation for properties ≤ \$2 million

New establishment fee is payable at settlement and includes one standard valuation of a property ≤ \$2 million

The establishment fee is waived if a security appraisal fee is payable upfront for a non-standard security appraisal or for properties greater than \$2 million

Additional standard property valuations will need to be paid at settlement
