June 11 to 14, 2019.

You are invited

As the industry experiences significant change and disruption, now is the time to unite and transform the future.

As a leader within Connective and the industry, I would like to personally invite you to attend this year's Leadership Summit, joining other leading Connective Brokers, Lender Partners and members of Connective's Executive Team.

The Leadership Summit is all expenses paid, with our compliments.

This exclusive, invitation only event will be held at Werribee Mansion and will include a two-day educational program delivered by Melbourne Business School. You'll also experience some insightful industry learning opportunities, in-depth discussions and a lively exchange of ideas.

The Connective Leadership Summit provides the unique opportunity for us to bring brokers and lenders from around Australia together to grow and learn, share our individual industry insights and continue to build and develop the important relationships we enjoy.

Please join us for a thought-provoking learning experience, as well as opportunities to network with your leading industry peers.

We look forward to seeing you there.
